

## Weekly Roundup 08/01/2021

**Our Christian Value this term is..... Respect.**

**What's been happening during the online classes:**

### Year 1 & 2

Miss O'Kane's highlight this week has been the smiling, excited faces that greet me every morning and afternoon by all the children logging into our Live Learning sessions. They have absolutely blown my socks off with how well they have adapted and are learning how to use all this new technology faster than me! Well done **1/20** you have smashed it this week, I'm so proud.

Well **1/2R**, what a week it has been! A huge well done to all the children in KS1 and I have to say to all the parents as well, what a fantastic team effort. We have been learning and laughing all at the same time which has been lots of fun. I have seen a range of objects starting with our phonics sessions, my absolute highlight was our phonics session on Friday where we had to find lots of objects around the house starting with the initial sound SATP, it was so much fun seeing puppies brought to the screen and lots of other objects. It was so lovely to see the children getting involved and more importantly having fun. A huge thanks to everyone for all the positive energy and giggles.

### Year 3 & 4

Miss Andrews' highlight of the week for **3/4A** was at the end of the day on Friday! We had a super session of showing off our musical talents! Xavier regaled us with his drumming skills, Charlie on his saxophone, Ezechiel on the ukulele and Henry J on the guitar! Who knew we were such a musically talented bunch!

### Caterpillars

This week I am so proud of how well Caterpillars have managed with their online learning, they have all been really keen to learn and have all tried their best.

Well done to Olivia for being our star of the week for her fantastic name writing well done everyone! Don't forget to keep uploading your work to Tapestry.

Well it has been a different week for **3/4S**! We have been working our socks off learning about how to use Microsoft Teams and Purple Mash for our remote learning and produced some great work about our book "Black Dog." In Maths we have been looking at multiples of 3 and adding 100s to numbers. We discussed about the importance of sharing, took some well-earned brain breaks, and have been working out to Yoga and Jo Wicks in PE! The highlight of the week was seeing everyone again, and the way they used the technology was great!

## Year 3 & 4 continued

Miss Pepper has been super impressed with the children from **3/4P** who have joined her online for their learning! They have been ready, respectful, and safe! This has helped make our learning easier and fun! As well as this, they have been really patient when we've had to adapt anything to make sure they can access and complete their learning! **3/4P** should be incredibly proud of themselves! Keep it up! Well done!

## Year 5

Although a little bit different this week, **5K** have worked very hard with the perseverance with the new way of learning and their patience with other pupils and staff within their live sessions. I have been super impressed with the amount of learning all children have summited to me and I look forward to next week and the new learning it will bring.

## Year 6

Well done to all of Year 6 who have adapted to their online learning remarkably well, it's been great to see so much resilience and hard work from you all. Keep it up and really looking forward to seeing you all again next week.

## Crowdcast from The White Horse Federation

The White Horse Federation Leadership did a crowdcast about how remote learning will be delivered. The event was recorded, so register to watch at any time: <http://ow.ly/GcHW50D2886>

## School Office Hours

The School Office will now be manned Monday to Friday from 08:30am to 12:30pm. You can call the school mobile from 1:00pm to 4:30pm on 07989 231573.

You can also contact The School Office via email on either [admin@themanor.wilts.sch.uk](mailto:admin@themanor.wilts.sch.uk) or [reception@themanor.wilts.sch.uk](mailto:reception@themanor.wilts.sch.uk)

## Reminder

If your child is ill and not able to attend live learning, please contact the absent line as you would on a normal school day, this line is being manned every morning. Attendance will still need to be monitored during this lockdown.

## Message from the Head

Thank you to everyone who has helped to make our first few days of live learning such a success. We know there have been some teething problems, but the lessons have been brilliant and how wonderful it has been to hear the children offering their answers and getting involved with such enthusiasm. Also, a big well done to our parents who we are sure have learnt some new skills especially around the use of TEAMS this week. The amount of work that has gone into this in such a short space of time is amazing and we would like to congratulate all the staff for their dedication and commitment whatever their role within the school.

We look forward to welcoming all our children back online on Monday morning. Have a wonderful and restful weekend.

Mrs Gordon and Miss Shires
