

# Weekly Roundup

## First Few Weeks

We have had a great start to the new school year and all the children seem to be enjoying their new classes.

## Our Christian Value this term is.... Respect.

Children will be learning all about the creation story.

Hot Chocolate Friday- This week has been our first hot chocolate Friday! As ever, the children were excited to join Mrs Gordon to celebrate, after showing excellent behaviour all week.

**KS1** have settled in beautifully to their new year groups. The children have shown respect for their classroom environments and are demonstrating excellent growth mindset by using the power of 'yet'. Well done!

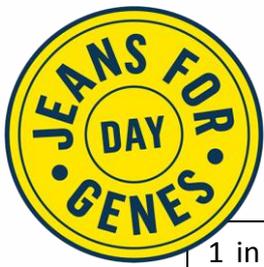

**Years 3 & 4** have had an exciting week with science investigations using bubbles, art projects focussing on the magnificent works of Henri Rousseau and fantastic, creative writing about a boy's adventures with his grandfather. The children have worked incredibly hard and they have been demonstrating their growth mindsets in these challenging activities. We are very proud of them!

Lots of lovely learning this week in Hedgehog class. Well done for completing your first two full days of school. You have all been super stars.

We have all been learning to write our name. Have a go at home too!

**Years 5 and 6** have had made a fantastic start to the term. They have contributed enthusiastically to our class discussions in R.E and Reading and have been using their Growth Mindset to challenge themselves in their maths. Please ask your children about their learning and how they are embracing challenges and mistakes.

FRIDAY 20<sup>th</sup> SEPTEMBER 2019

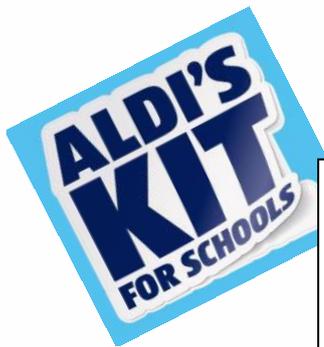

1 in 25 children has a genetic disorder that makes their life very difficult. That's one in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on **Friday 20<sup>th</sup> September** instead of school trousers/skirts. We'd like everyone to take part so please send your child into school on the day wearing their jeans (school uniform on the top half) and with a £1 donation.

We will also be **holding a cake sale to help raise money for Jeans for Genes. Any cake donations would be gratefully received.**

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. Each film provides a compelling and personal insight, introducing some amazing children living with genetic disorders, sharing first-hand what life is like with their condition. Please visit [jeansforgenes.org/schools](http://jeansforgenes.org/schools) for more information and to view these films.

If you'd like to find out more about how our support will help, please visit their website at [jeansforgenes.org](http://jeansforgenes.org)

#### Adli Kit for Schools

The Manor School are taking part in the Aldi kit for Schools promotion.

Every time you spend over £30 in any Aldi store you'll receive a Team GB sticker. Take your stickers to school to help complete your poster. Once complete with 300 stickers send the poster back to us to receive an exclusive sports kit and to be in with a chance to win £20,000 for your school.

We had a surprise visitor in the school playground today. Mr Bat thought he would like to join in with the children at playtime.

He has now been taken to the local vets who will look after him.
