

The Manor School Behaviour Annex

Due to COVID there are some important changes to the expectations in school, these are outlined below:

- Wash/ sanitize hands when asked to do so
- Socialise only with children from own class (bubble) when in school
- If a child sneezes or coughs use a tissue to dispose of this and wash hands after – children will be supported in remembering to do this
- Stay within my set bubble area and follow the one-way system around school
- Children must not cough towards another person
- Children must not spit towards another person
- Children must follow social distancing measures when entering and exiting school
- Children must try to follow social distancing measures when in school as set out by staff
- There must only be one child in the toilet cubicles at one time, if a child is waiting they should line up outside and not go inside until the other child is out

We are ready if we...	We are respectful if we,..	We are safe if we...
<ul style="list-style-type: none"> • Follow adult instructions • Ask for help when needed • Let others and ourselves learn • Follow the embellished countdown • Show good listening • Ask if we are not sure • Wear our PE kit on our PE day • Show good sitting 	<ul style="list-style-type: none"> • Listen to adults and our peers • Treat one another fairly and kindly • Talk through our difficulties calmly • Look towards the person talking to us • Follow adult instructions • Allow others to speak and wait our turn • Respect our school equipment 	<ul style="list-style-type: none"> • Stay in our own class bubble • Make sure we use our own equipment • Put resources in the red tray when we have used them • Keep our hands and feet to ourselves • Stay sat at our desk when asked to do so • Line up calmly • Follow the school alarms (fire and lockdown)
